# **Instructions for Temperature Log:**

Check both temperatures twice a day, each working day of the month. Place an "X" in the boxes that show the temperatures you read in the morning and afternoon; enter your initials and the time in the boxes at the top of the day's column. Use a new form each month and save in a file at month's end for one year.

## \*If the temperature is too high or too low:

- 1. Store the vaccine under proper conditions as quickly as possible.
- 2. Call your VFC Representative.
- 3. If he/she is not available, call VFC Customer Service at 1-877-2GET-VFC (1-877-243-8832)
